Contributions

Jongsun Park: Individual bookpage design, Individual bookpage related Modals and data design diagram.

Daye Eun: Implementation of Browse page and Profile page along with related Modals to both pages. Worked on drawing the class diagram.

Donghun Kim: Navigation bar, Modals, MyBookstore pages and auth-context implementation.

Hyeon Joon Lee: Premain / Login / Main / Discussion pages implementation, along with corresponding Modals.

All members contributed equally in revising the design and interactions for all pages in our application, along with the UML class diagram.
